Foreword

That Wonderful Year

To many of the citizens of the surrounding area Southwest may be only a junior college at Summit, Mississippi; however, to those of us here at S.M.J.C. ours is a wonderful school.

The 1966-1967 session was a wonderful one for Southwest Junior College. A hot autumn came with pep rallies, football games, homecoming, and Thanksgiving holidays. As winter came, the weather grew colder, and students quickened their paces in eager anticipation of Christmas holidays — the calm before the storm of semester exams. We went to basketball games and kept up with school news by reading **The Pine Burr**. Then came spring, and S.M.J.C. was at her peak. We were all kept busy with the Azalea Trail, final examinations, and Sophomore graduation, but not too busy to look forward to summer vacation.

Sophomores leave S.M.J.C. to go on to senior college, the armed forces, marriage, or a job. Others stay behind, anticipating the next year when they will be sophomores. To those leaving, may the 1967 **Whispering Pines** serve to remind you of That Wonderful Year—1967. To those who will be here next year, may the 1967 **Whispering Pines** inspire you to even greater heights in the future.

"I am not a teacher! only a fellow-traveller of whom you asked the way. I pointed ahead—ahead of myself as well as of you."—Shaw.

Dedication

His Life—"One grand, sweet song."

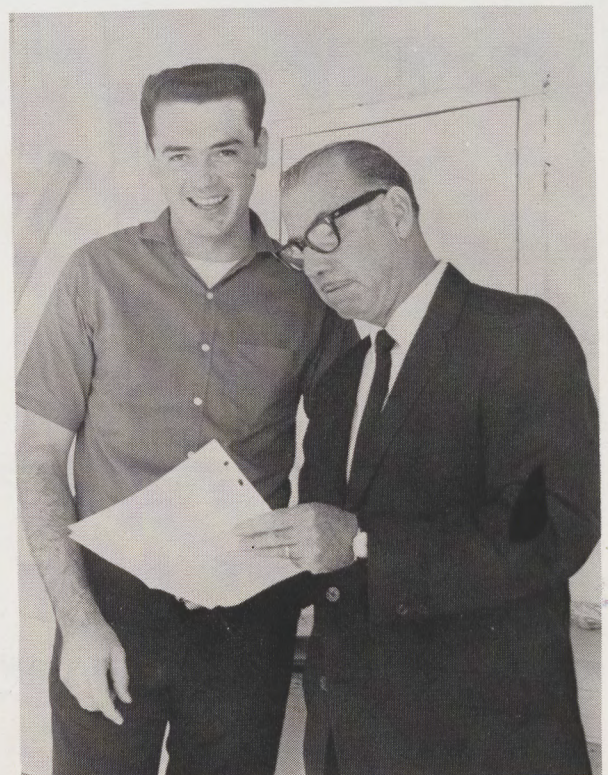

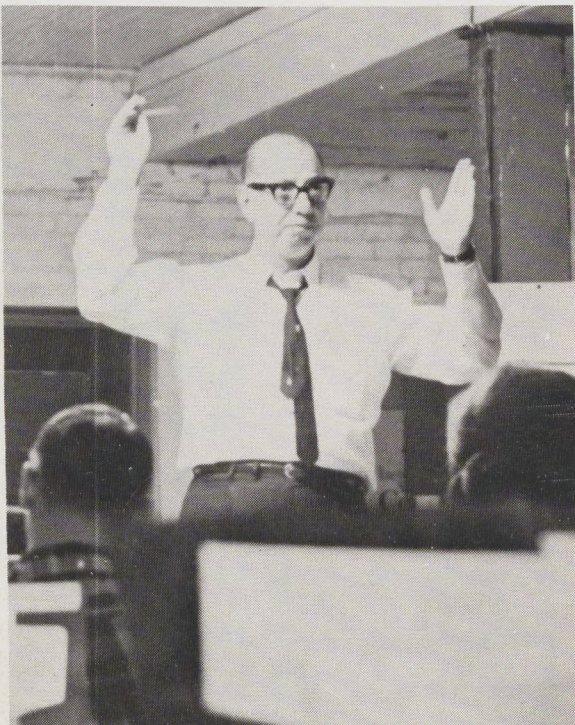

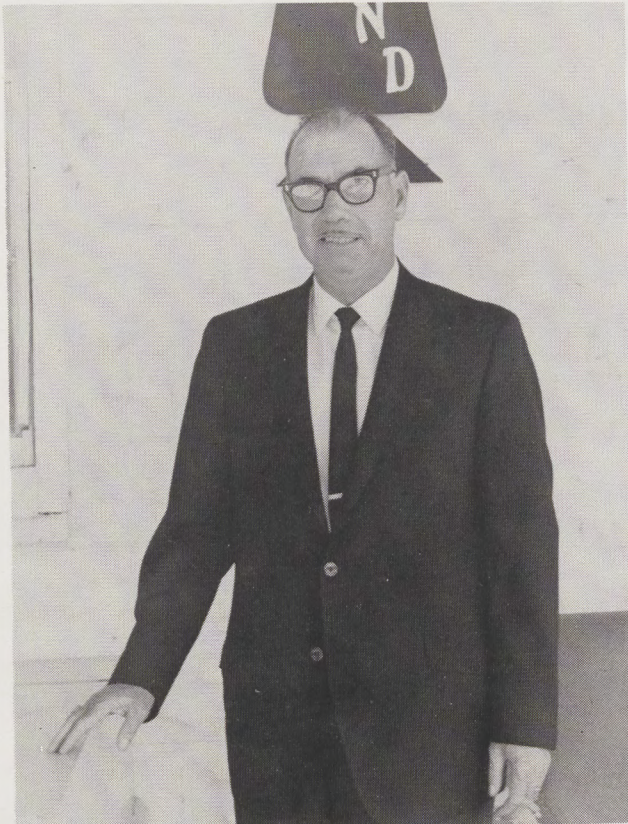

Charles Kingsley

Wit, enthusiasm, determination—these are the qualities that characterize the one to whom the 1967 **Whispering Pines** is dedicated.

With his friendly manner and interest in young people, he has endeared himself to the students, at the same time commanding their respect.

He was Southwest's first band director, having formed a band when he was a student here. Now a retired Marine, he works tirelessly with a small group to produce a band of which we can all be proud.

For your patience, sincerity, and hard work, we proudly dedicate the 1967 **Whispering Pines** to you,
Mr. Stephen A. Jones

Our B.S.U. has placed most of its emphasis on Missions. The students adopted two children from the Baptist Children's Village. Debbie and Butch were on our campus for the Christmas party.

One of the most inspirational weeks we have ever experienced was Religious Emphasis Week. Rev. Don Callaway of the Shady Grove Baptist Church of Hartselle, Alabama was our speaker. The theme was "In All Thy Ways." At the end of the week we had sixty-four rededications and six professions of faith.

Officers: Betty Sue Morgan, Music Chairman; Joyce Fitzgerald, Secretary; Jeannie Fitzgerald, President; Johnell Fennell, Publicity Chairman; Diane Singleton, Dormitory Representative; Shirley Cothorn, Vespers Chairman; Jerrie Lynn Boyd, Student Government Representative; Betty Travis, Reporter, Joyce Bates, Sponsor.

This year's Westminster Fellowship has proved to be a growing organization. Under the guidance of Mrs. Mildred Craig and Rev. John L. Stuart, the group enjoys meeting once a week at the Presbyterian Church of Summit.

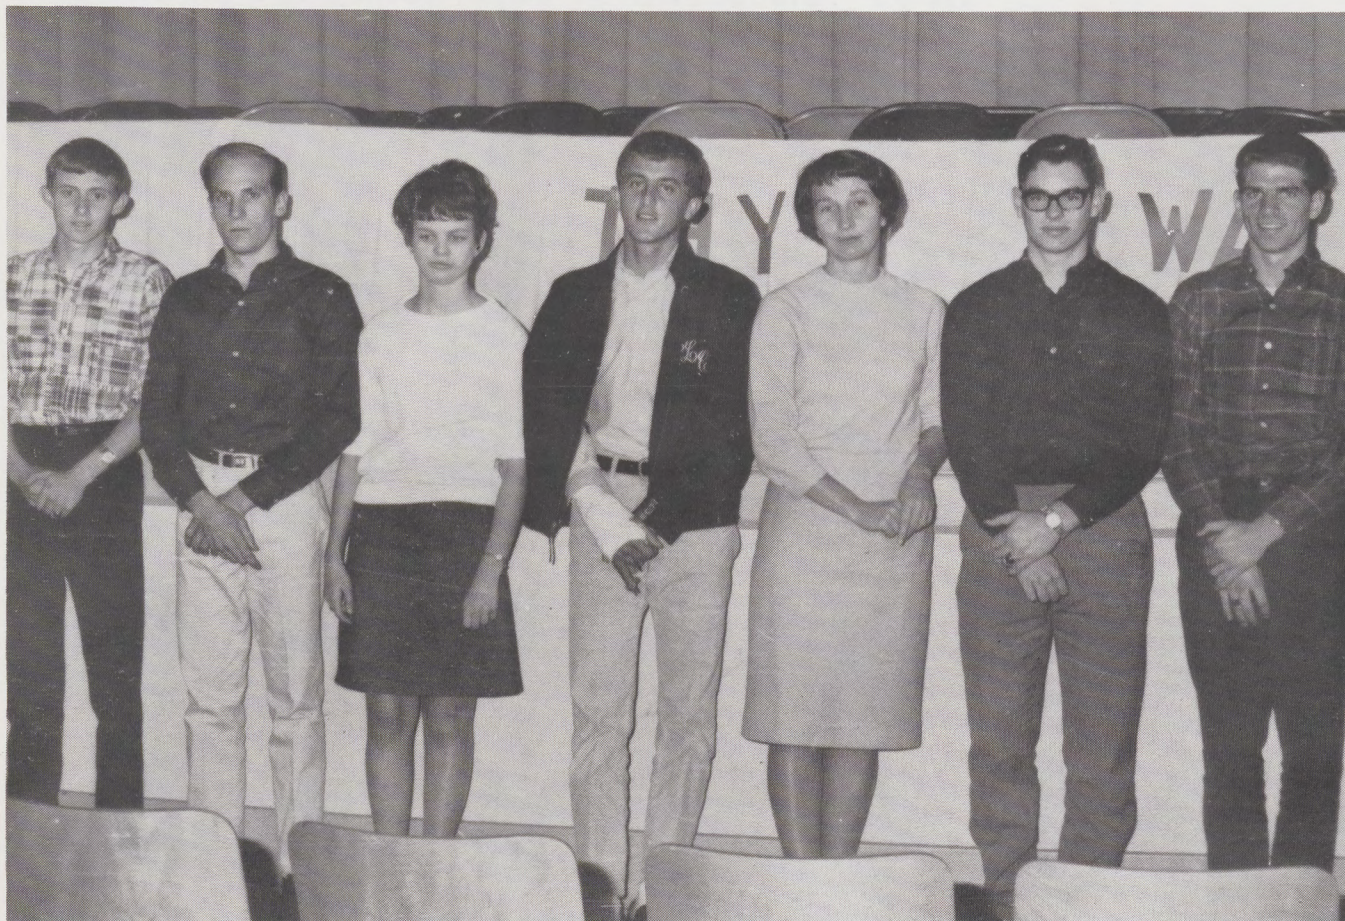

To make their ideal of service a reality, Westminster members adopted the project of helping the students in the Summit Elementary Schools. Once a week each Westminster member visits his student at the school to aid the student in his school work, with social problems, or perhaps for just a friendly visit.

This worthy service project has proved valuable to Westminster members as well as to the Summit School children.

This year's **Whispering Pines** staff spent a busy year planning and scheming to bring to the student body the best annual in the history of Southwest.

It all began in August with the sale of ads. Larry Daughdrill, our business manager used his sales pitch to boost funds for the annual.

Both students and faculty were most cooperative throughout the year. Without this, our annual could not have been a success.

This year's staff was the largest ever. Every member did his part to help create an annual with a distinctive air.

After all our work, we the **Whispering Pines** staff, hope you enjoy your annual.

Glenn Whitman spends free hours in the dark room developing for the paper and the annual.

Success Follows the

Something we can all be proud of—the Southwest Show Band.

Our director, Mr. Steven A. Jones.

Southwest Show Band

The Southwest Band indeed had a good year. It began with a flash of color as the majorettes got striking new uniforms and the "Ladies in Red" made their first appearance.

Success followed the marching band to Gloster where they received the best band award in the Christmas parade.

However, the greatest thrills occurred when the Southwest Show Band entered the Mobile Jazz Festival. Musical numbers were selected, taped, and sent off to be judged. Southwest was honored to be one of the six schools selected to attend. Of course, money was a problem, but Mr. Jones went to work and prepared a "Musical Extravaganza" which paid the students' way to Mobile.

Certainly, this proved to be one of the most successful years of the S.M.J.C. Band.

It takes practice to make a good marching band, too.

A few pointers never hurt anyone.

Cheerleaders Represent

This year Southwest was fortunate to have five fine, hard-working cheerleaders. Sponsored by Mrs. Louise Edwards, the cheerleaders brought the student body many novel ideas which helped make school spirit soar—and soar it did! For the first time in many years at Southwest officials had to ask the students to be quiet during a game.

Being a cheerleader is more than a part-time job. It is a full-time job requiring effort, planning, and physical stamina. Certainly we at S.M.J.C. were fortunate to have selected such good ones.

1967 Boasts the Largest Freshman Class in Its History.

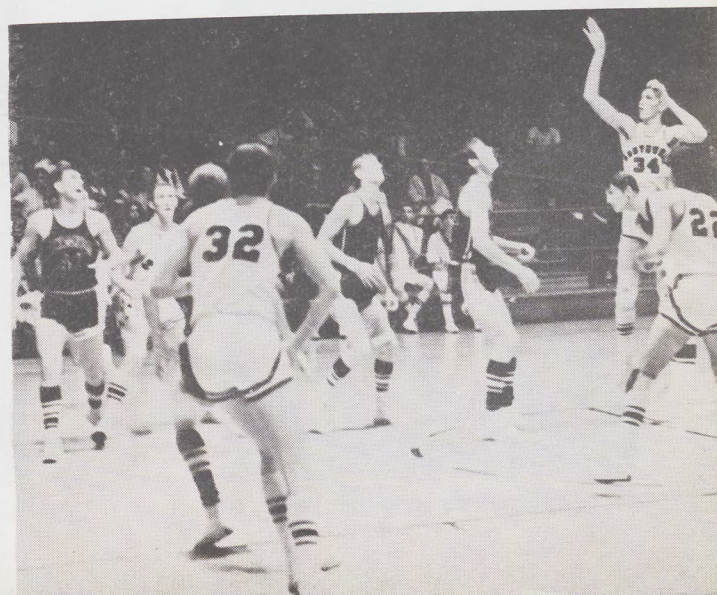

August of '66 brought to S.M.J.C. the largest Freshman Class in the history of the school. Composing over half the student body, these enthusiastic Freshmen soon made themselves an active part of our campus. Under the capable leadership of class President "Sambo" Moore, the new students enjoyed exploring the realm of college life together.

Certainly Southwest can look forward to greater things and another successful year when this year's "green" Freshmen become our "dignified" Sophomores.

GRIDIRON '66

Long touchdown passes, the "Head Hunters," and the first annual Mississippi Junior College All-Star Game dominated the S.M.J.C. scene in '66.

Eighteen Sophomores and fifteen Freshmen helped fashion the best record, 5-5, at S.M.J.C. since 1958. From the first August workout to the night of the final game, the Bears lived up to their name.

The Bear victories were over: Itawamba, P.R.C., Co-Lin, East Mississippi, and Jones. 1966 marked the third consecutive victory over arch rival Co-Lin.

Coaches Joe Jordon, in his first year at S.M.J.C., and Jerry Reid, who took over as head coach for the first time this year, were responsible for directing the Bears to their fine season.

Thanks must go to the cheerleaders and the entire student body for their part in the "Gridiron '66" at S.M.J.C. They helped much in keeping spirit on the squad at its peak.

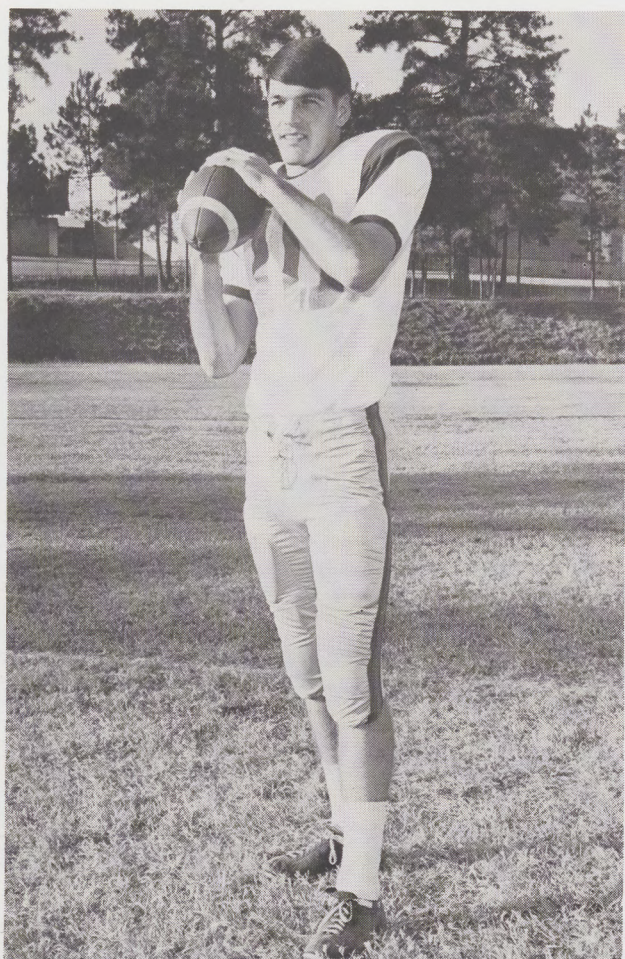

Quarterback Dan Brewer and split end Harry Young rode their fabulous pass-catch combination into coveted berths on the Mississippi Junior College All-State Team.

Brewer, Young and guard Jimmy Simmons were named to play on the South Squad in the first Mississippi Junior College All-Star Game on December 10. All three were top performers in the fray.

Hall of Fame

Southwest Miss. Jr. College Library

Hall of Fame

A student above all, first and last, is Dianne Singleton of Hattiesburg, elected for the 1967 Hall of Fame. In addition to maintaining a high scholastic average which earned for her membership in Phi Theta Kappa, Dianne has found time to serve as Student Body Treasurer, as a member of the Southwest Tennis team, as devotional chairman for B.S.U., and as a loyal supporter of W.R.A. and Y.W.A.

Dianne is majoring in chemistry and will attend Louisiana State University next year.

DIANNE SINGLETON

Dianne, a chemistry major, spends much of her time in lab.

Hall of Fame

SALLY LILLY

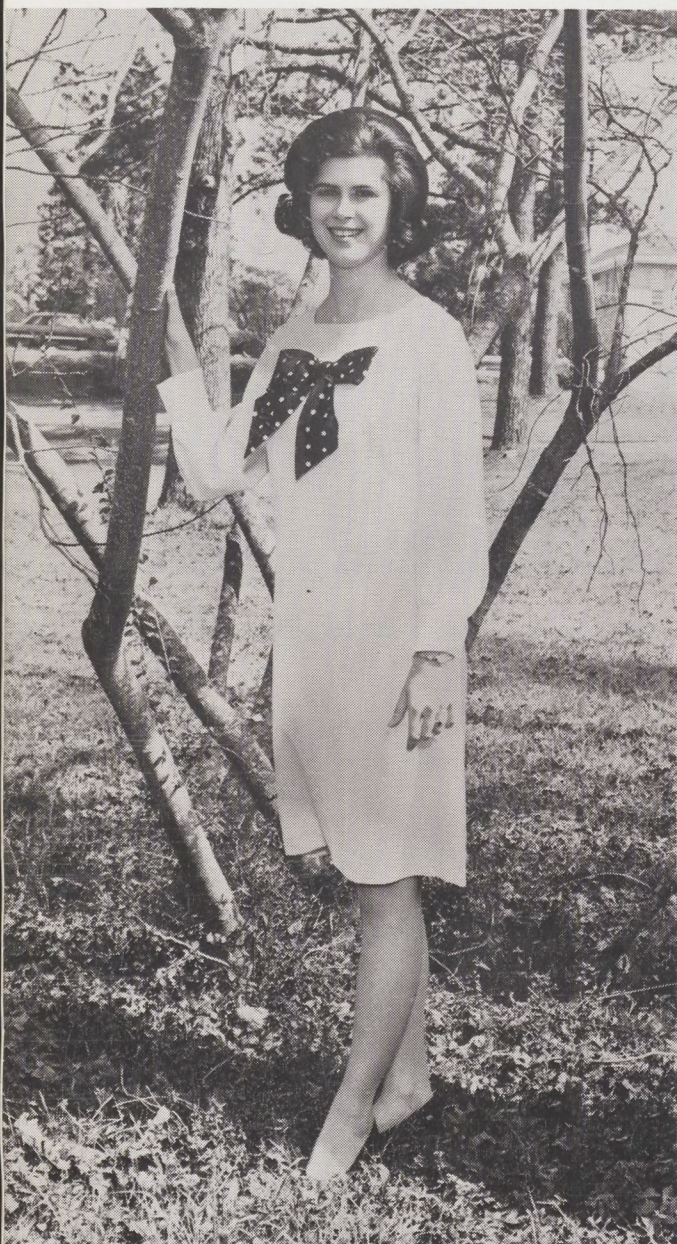

Sally, editor of the paper, looks over the most recent issue of the **Pine Burr**.

One of the first and most unquestionable selections for the 1967 Hall of Fame was Sally Lilly of Liberty. A Journalism major, Sally is editor of the **Pine Burr**, a member of Phi Theta Kappa, attesting to her scholarship, a member of B.S.U., W.R.A., and Y.W.A.

Sally's serious, yet sincerely friendly manner, has endeared her to the entire student body. Her absolute dependability, high intelligence, and intent purpose will assure success as she continues her study of journalism at the University of Mississippi.

Hall of Fame

LINDA LEE KIMBLE

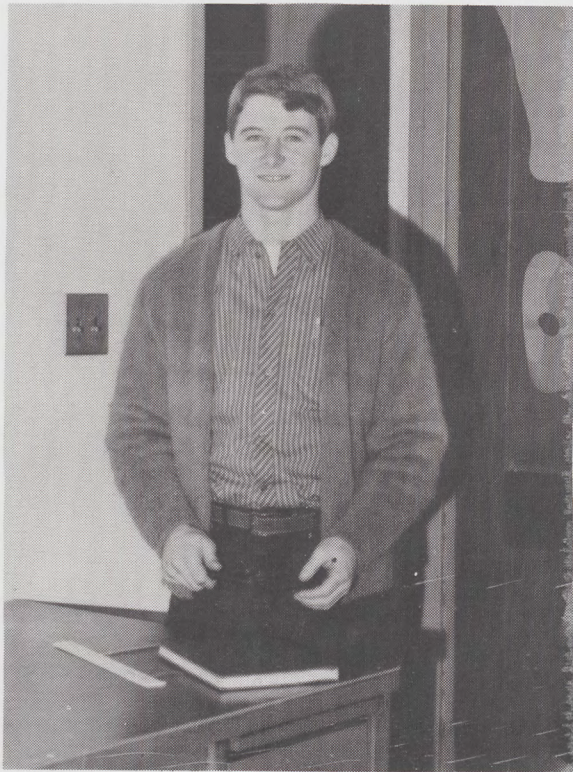

An outstanding student, editor of **Whispering Pines**, vice president of Westminster Fellowship, Sophomore Class treasurer, a valuable member of the Southwest band and chorus, member of Phi Theta Kappa, member of Student Government—all these qualifications made Linda Kimble of McComb an obvious selection to the 1967 Hall of Fame.

Linda is loved and respected by faculty members as well as by other students. Her gentle manner, friendly disposition, and helpful attitude will assure her happiness and many friends as she completes her education at the University of Southern Mississippi.

As editor of the **Whispering Pines**, Linda looks over an old edition of the annual.

Hall of Fame

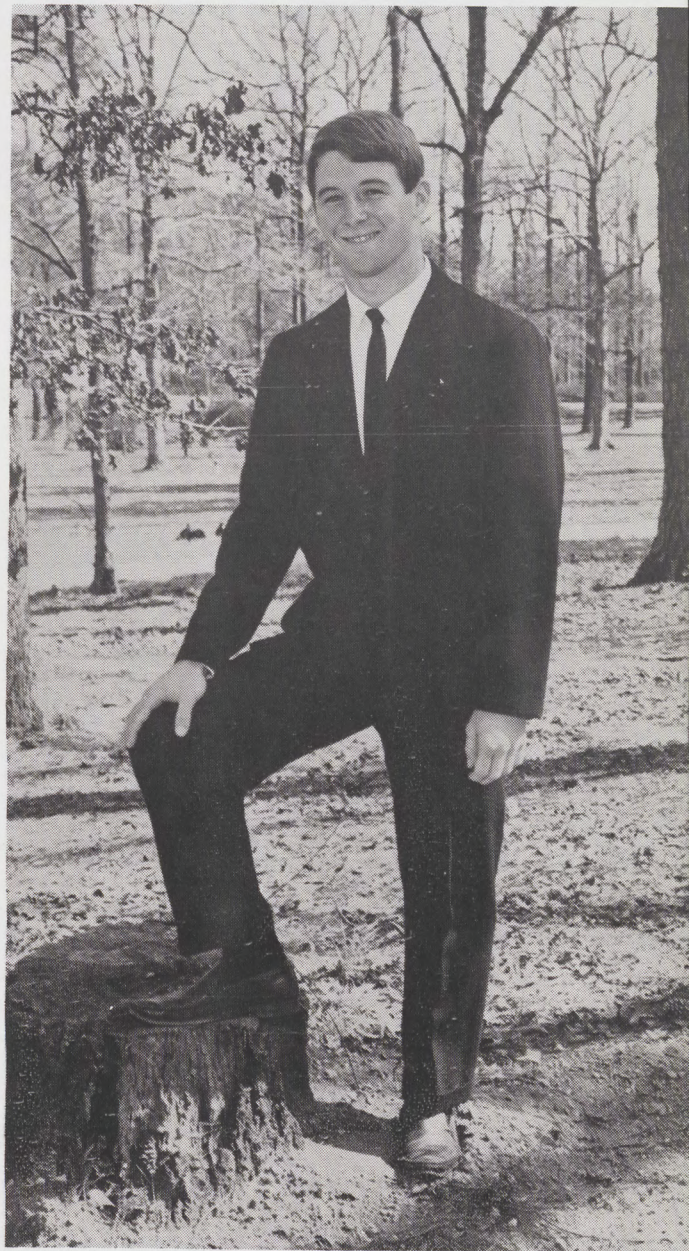

Harry, President of the Sophomore Class, calls a meeting to order.

A student-athlete or an athlete-student: Harry Young answers as both. Climaxing a very colorful career with the Southwest Bears on the gridiron, Harry Young of Summit was chosen to the Junior College All-Star and All-State Teams.

Harry is math major, President of the Sophomore Class, and vice president of Fellowship of Christian Athletes.

Success and popularity will surely follow Harry as he studies at the University of Southern Mississippi next year.

HARRY YOUNG

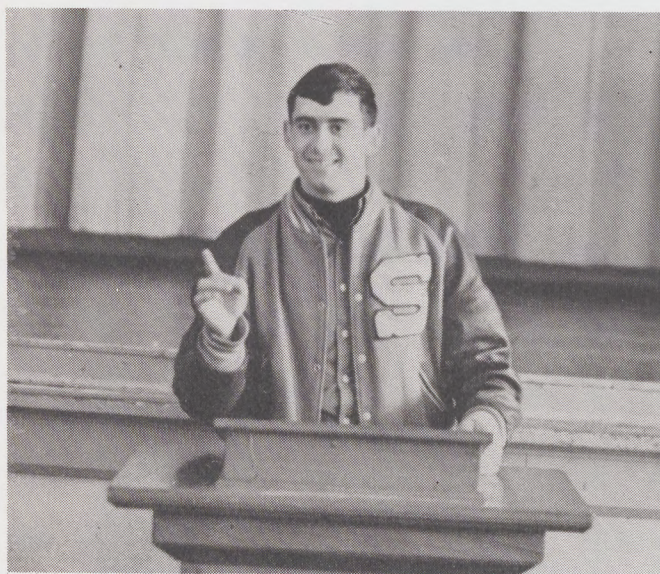

Hall of Fame

ANTHONY YARBOROUGH

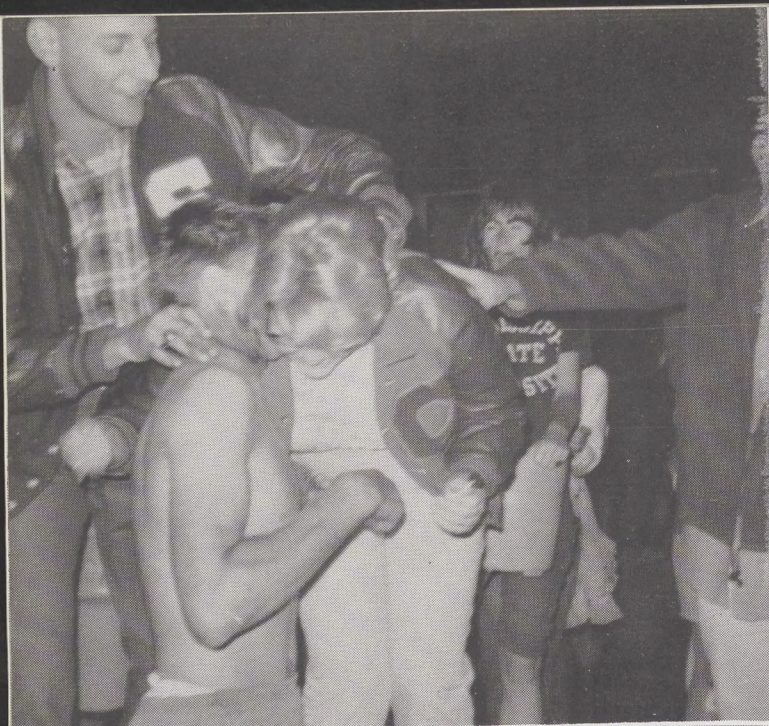

Anthony Yarborough of Summit is president of Southwest Mississippi Junior College Student Body, member of the basketball team, former president of the Freshman Class, vice president of Wesley Foundation and President of Fellowship of Christian Athletes.

Highly loyal to Southwest, Anthony has given the school his best, making at the same time satisfactory academic progress toward a degree in religious education which he will pursue at the University of Southern Mississippi.

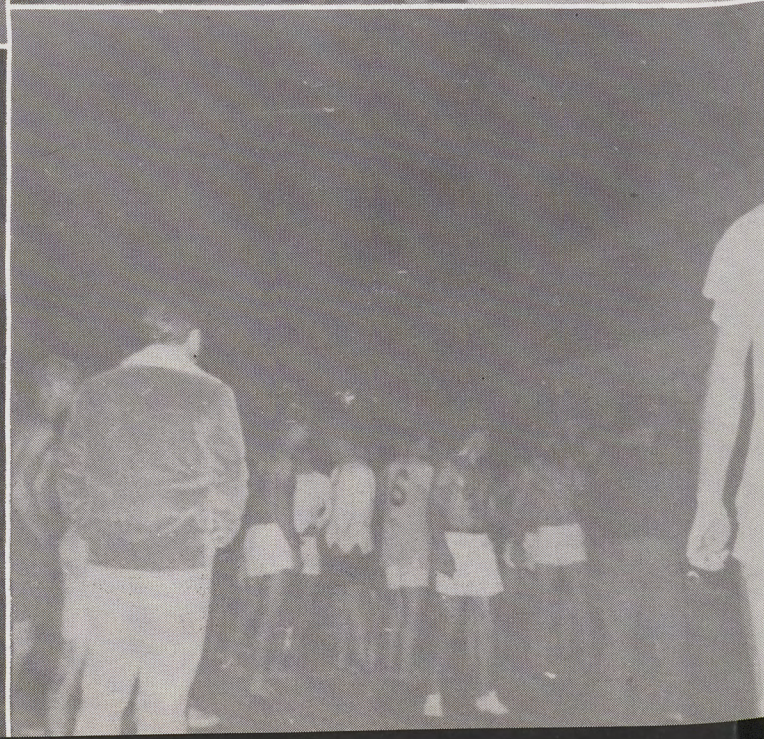

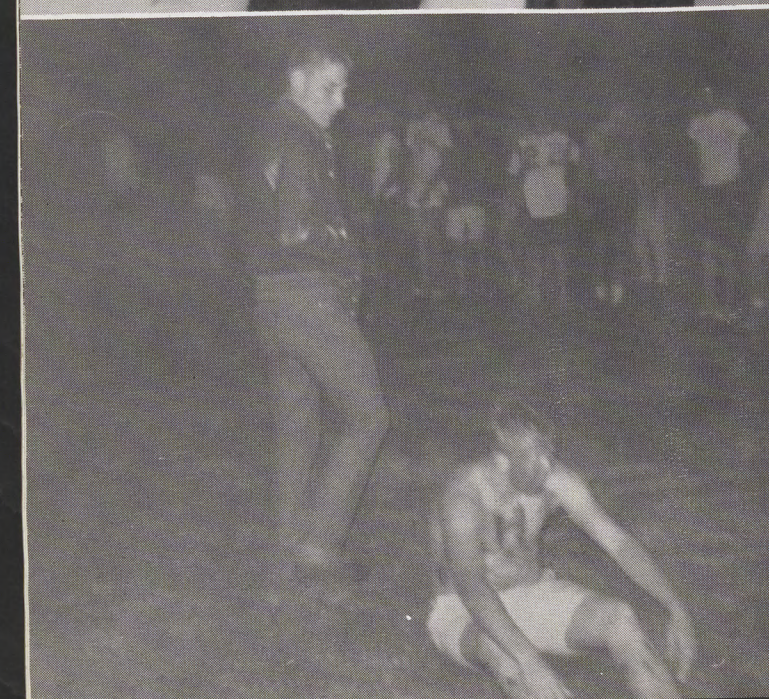

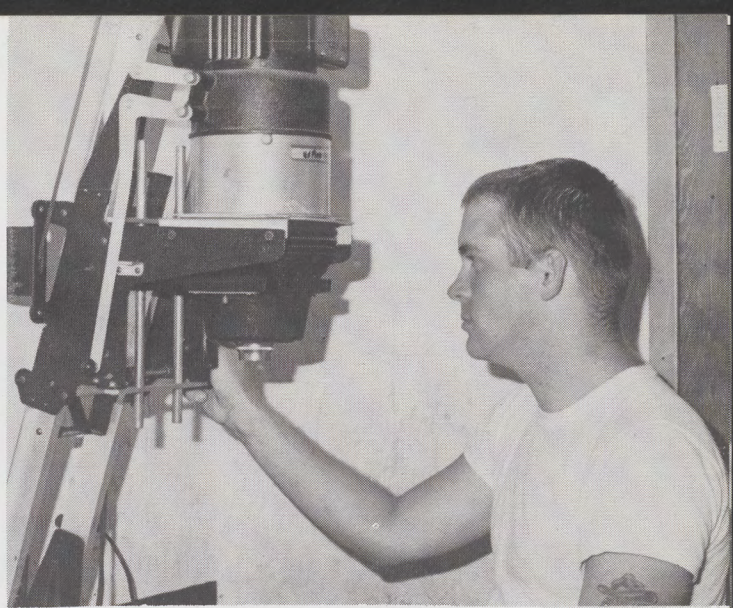

Anthony, President of Student Government, makes one of his school spirit speeches in assembly.

Autographs, Anyone?

As this year draws to a close, the 1967 Whispering Pines is no longer a dream but a reality. I would like to take this opportunity to express my sincere appreciation to all of those who helped make this publication possible.

A special thank-you goes to Mr. and Mrs. "Tite" Robinson of McComb for allowing us to take Who's Who pictures in their lovely home.

Certainly no one knows better than I that Mr. J. Lyons Balser and Glenn Whitman are responsible for much of the beauty of this annual. I thank both of you for your patience and conscientious work throughout the year.

We shall all be forever grateful to Doug Walker for his outstanding artwork seen throughout our annual. Doug, I am especially proud of the cover which you designed.

To all the members of the annual staff and to our sponsor, Mrs. Sue White, thank-you for all of your time and hard work.

To you, the reader, I hope the 1967 Whispering Pines reminds you of the many wonderful experiences that you had during this year.

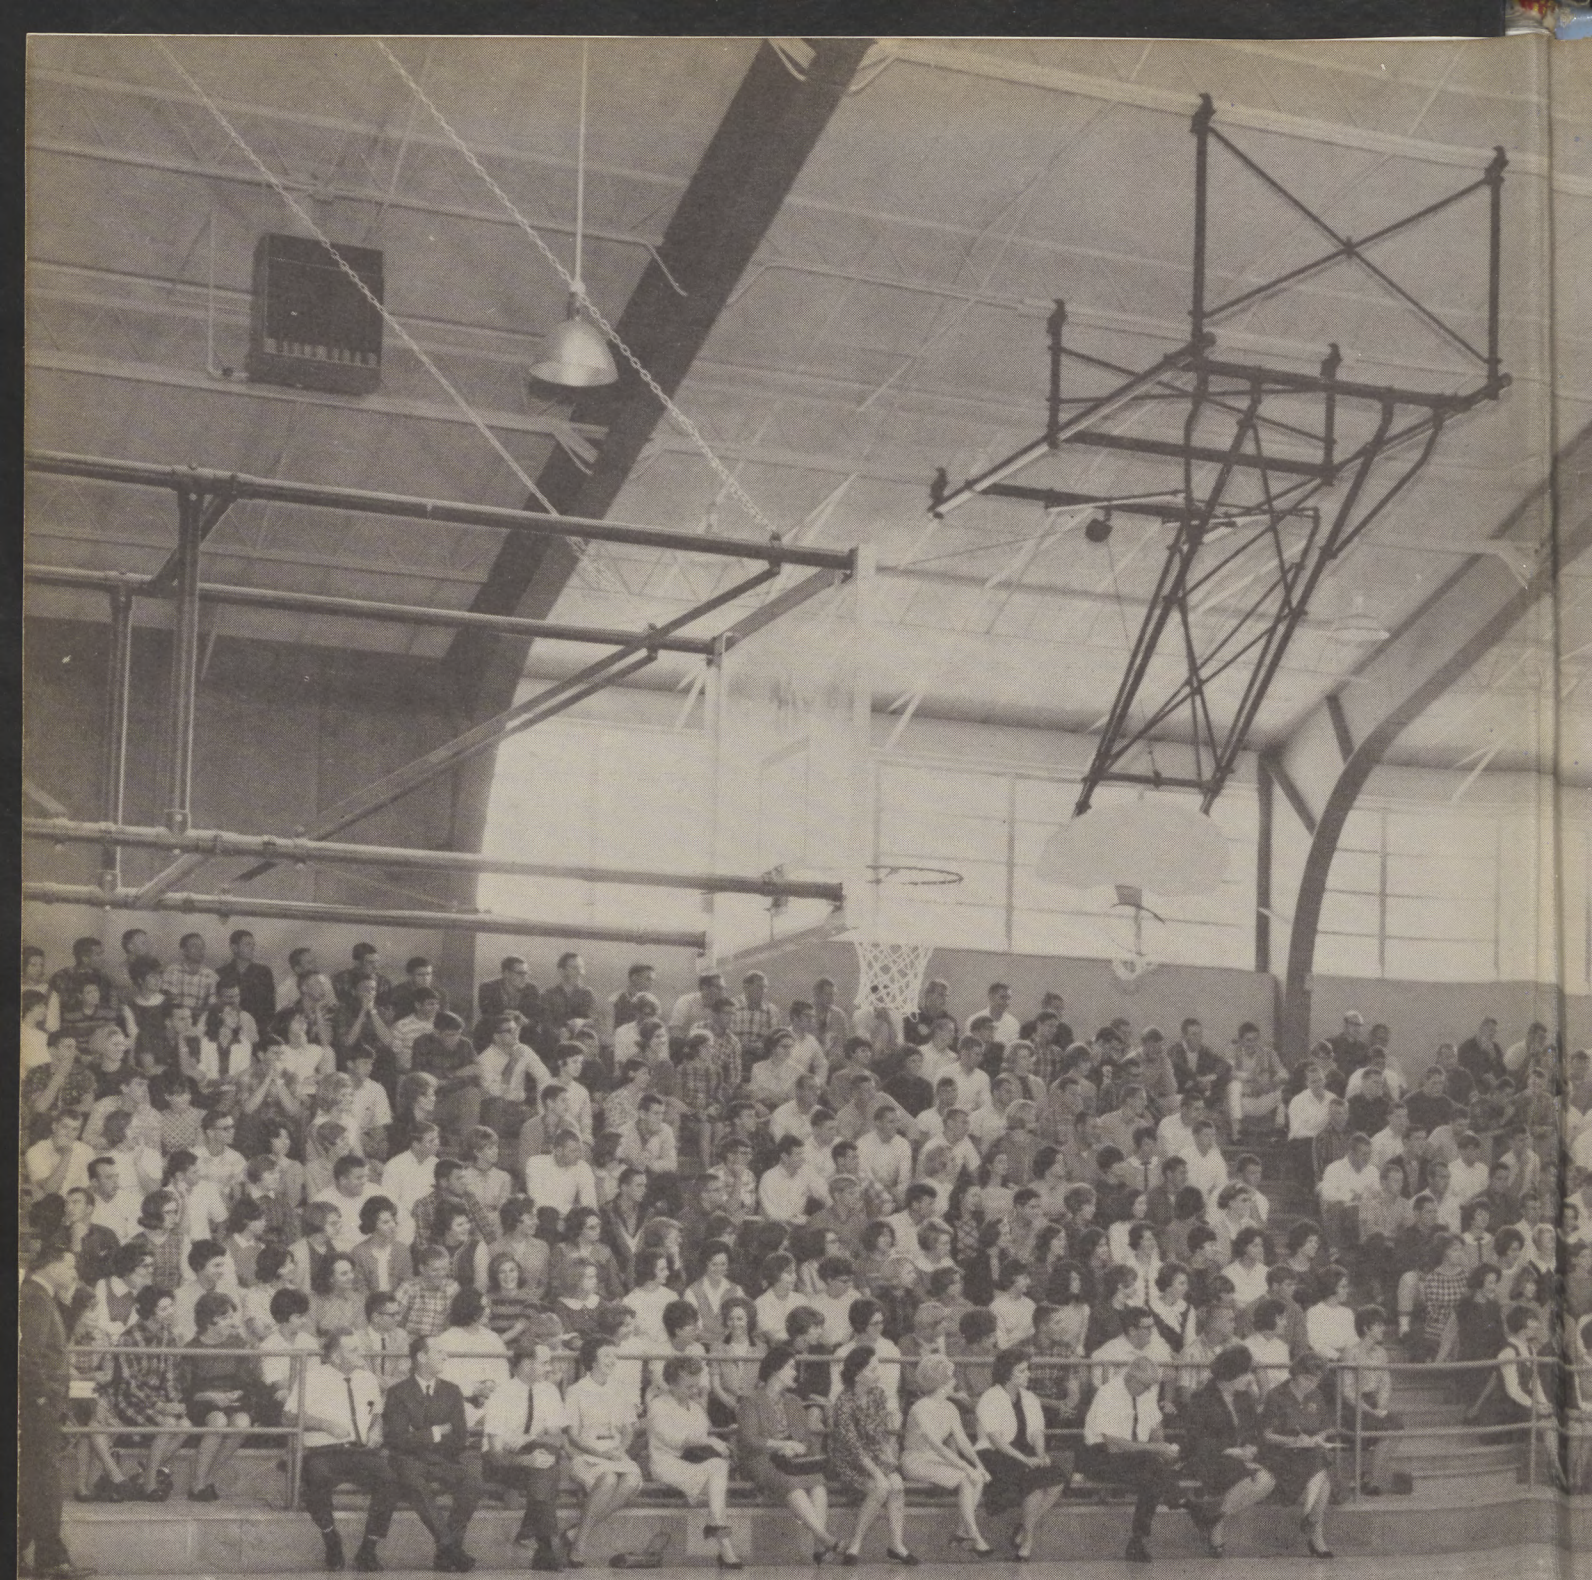

Sincerely,

Linda
